APPLICANTS' INTERVIEW SUMMARY RECORD

Applicants' attorney, Roger A. Heppermann (Reg. No. 37,641), held a telephonic interview with Examiner Mark H. Rinehart and Examiner Christopher E. Lee on March 21, 2003.

During the interview, the cited prior art was discussed in relation to independent claims 1, 10, 17, and 19. Examiner Rinehart advised the undersigned attorney that the claims would be rendered allowable over the cited art if they more clearly distinguished between Link Active Scheduler functionality and general controller functionality disclosed in the prior art. While no agreement was reached, Examiner Rinehart indicated that it would be necessary to file a Request for Continued Examination with an amendment to the claims at this point in the prosecution.

The applicants' attorney thanks Examiner Rinehart and Examiner Lee for the courtesy of granting the telephonic interview and for the Examiners' helpful comments during the interview.

Respectfully submitted,

By: 
Roger A. Heppermann
